#### Doctrinal Statement

The scriptural doctrines to which we ask the assent of all applicants for membership are briefly stated in the following Articles of Faith:

- We believe in one God, existing in three persons: Father, Son, and Holy Spirit, coequal and eternal;
- We believe that man was created in innocence, but fell in Adam, and is totally unable to redeem himself;
- We believe in the full plenary inspiration of the Holy Scriptures, and believe them to be the absolutely authoritative and infallible word of God, without error in the original writings;
- We believe salvation has been provided through our Lord Jesus Christ, who was born of the Virgin, suffered and died for our sins upon the cross, rose from the dead, ascended to God's right hand, intercedes for us, and is coming again in power and great glory;
- We believe it is the responsibility of all who are saved to seek to win others to Christ;

We believe the very center of the previous five points of doctrine is our Lord Jesus Christ, and His commandment of love, meekness and patience toward one another.
